Remarks:					
<p>Herewith is a draft of a talk I intend to make to the Calvin Bullock Forum in New York on 22 Nov. This group is composed of New York business executives, has been in existence for many years, and assures me that the remarks will be entirely off the record. I am passing you this text, because I want to be sure that, as far as you are concerned, it contains fitting material for such a presentation. If you have any adverse comments or objections, please let me know. The drafting has been done by Dick Lehman, of OCI, on the basis of an oral outline I provided on what I wanted to say and the points I wanted to cover.</p>
